

A Drop in the Desert Privacy Policy

Donor Privacy Policy - We respect the privacy of our donors and appreciate their support. A Drop in the Desert does not trade, rent or sell donor information to any other entity or organization.

How Information is Used - A Drop in the Desert uses donor information to help complete a donation transaction, communicate back to donors and to update our donor database.

All paperwork has been submitted for 501(c)(3) status. As we are awaiting final approval, A Drop in the Desert is temporarily accepting donations through its partner organization, The Conservation Foundation (TCF). TCF will share the names of donors who purchased shares on behalf of A Drop in the Desert. Once 501(c)(3) status has been received, A Drop in the Desert will utilize a third party vendor, Donor Box, to process and maintain all financial transactions.
